

## SEC COMMENTS COLLECTION

SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Gerard Gold
CommenterCity	Sutton
DateReceived	05-17-2017

### CommenterWords

In opposition to Towers for transmission. Although living west of the proposed transmission corridor, I travel for recreation to the NH White Mountains and sometimes north of the Whites.

I know people who live in these areas. We are all opposed because of the long-term damage to NH's scenic values and tourism economy.

Please require burial of the transmission line in New Hampshire.

Thank you,  
G. Gold
